Dear friends,

As I reflect back and look ahead to our future, I'm so thankful to be part of the Moody family. Looking back, we marked our 125th anniversary, celebrating what God has done through Moody's educational and media ministries to make disciples and to proclaim His Word worldwide. I met one alumnus who traveled thousands of miles to attend the anniversary celebration (see page 4). Thousands of you also took part in Founder's Week in person or online.

What's new at Moody? We are moving forward to implement initiatives that carry out Dr. Nyquist's vision and strategic directives to take the truth of God's Word across the globe, across cultures, and across generations (see page 3). With that vision in mind, this issue highlights some exciting new developments, including Radio Moody, a Christian Spanish-language station. Moody is also expanding its degree offerings to include an integrated BA/MA degree.

Finally, in the alumni profile section, you can read about alumnus Chris Fabry's influence over the airwaves and in print, as well as the harrowing account of an alumni couple in Mexico who, by God's grace, survived a robbery at gunpoint. Join with us in praising the Lord for His sovereignty and protection. We are so grateful for His guidance and provision over Moody's ministries and alumni.

Serving Christ together,

Nancy (Andersen '80) Hastings

Alumnus Travels 4,000+ Miles for Moody's 125th Anniversary

More than 1,000 alumni visited Moody's Chicago campus during the Institute's 125th anniversary celebration on October 1, 2011.

Ole Fredrik Steen '64 (left), however, was one of those who traveled the farthest.

In the following letter to Nancy Hastings, Executive Director of the Moody Alumni Association, Ole explains why he made the trip from his home in Norway to join the festivities.

Dear Nancy,

When I read about Moody's 125th anniversary celebration in Moody Alumni News magazine, I felt that the Lord wanted me to celebrate with the saints and honor that great man of God, Mr. D. L. Moody. Fifty years ago, I experienced what Dr. Torrey taught and what D. L. Moody told the students: "Don't leave the school until you are imbued with power from on high." The Lord Jesus baptized me with the Holy Spirit and fire at the corner of Chicago and LaSalle, and that fire is still burning in my heart.

Coming back to Moody and celebrating was worth it to honor this man who has made such an impact on the world. It was a great experience to see, meet, and talk to Moody people and to listen to the speakers and musicians. I have thanked God many times for letting me make this trip back to Moody.

I have nothing to boast about during my 50 years in the Lord's ministry, but I will use the Apostle Paul's words: "By God's grace I am what I am, and His grace toward me has not been in vain." After I graduated from Moody in 1964, I went back to Norway where I pastored two churches, traveled for several years as an evangelist, and started up a place for alcoholics and drug addicts who had gotten saved. Later the Lord put on my heart to open a house of prayer in Jerusalem, which I conducted for a few years. I love to pray, intercede for Israel, and teach the Word of God. This I now do in Bergen, in Jerusalem, and wherever the Holy Spirit leads me. I was 75 years "young" on September 21, and I want to serve my Master until He takes me home. We are privileged to know the King of kings and serve Him all the days of our lives.

May God bless and use you mightily in His kingdom, Nancy.

In Jesus we live and move,

Ole Fredrik Steen

Tim's wife, **Eileen (Thompson '62) Ostrander**, their daughter **Kim Ostrander '85**, and their son and daughter-in-law, **Dr. Rick '87 and Lonnie (Earhart '85) Ostrander** were all present for the event.

A Look Back at Founder's Week

Moody Bible Institute celebrated its 111th annual Founder's Week Conference in Chicago, February 6–10. Up to 6,000 people were in attendance each night, while thousands from more than 40 countries viewed online. Conference speakers focused on the theme, "The Hope Within Us," inspired by 1 Peter 3:15.

Dr. Paul Nyquist, president of Moody Bible Institute, kicked off Founder's Week on Monday, February 6, at The Moody Church. Other speakers included Francis Chan, Jill Briscoe, Dr. Erwin Lutzer, Dr. Ravi Zacharias, Dr. Gene Getz '52, Dr. Don Sweeting '76, Moody students, faculty, and others.

Moody Bible Institute–Spokane Founder's Conference a Success

Moody Bible Institute–Spokane held its second annual Founder's Conference on February 19 and 20. Keynote speaker Pastor **James Ford Jr. '84** of Christ Bible Church in Chicago delivered powerful messages from God's Word, and various Moody ministries, including the Moody Alumni Association and Moody Radio Northwest, collaborated to make the conference a success.

Pastor Ford—author, teacher, and host of Moody Radio's newest daily teaching program, *Treasured Truth*—was saved from a life of dealing and abusing drugs to a life proclaiming God's Word. He earned a degree from Moody Bible Institute and completed his master's degree at Trinity Evangelical Divinity School. As a senior pastor on Chicago's South Side for the last 30 years, he is especially devoted to reaching and strengthening urban families.

Students at Founder's Conference gave Pastor Ford high praise. "Pastor Ford was an awesome speaker. His content was amazing," said Quinn Daniels, a third-year Biblical Studies major. "He was intelligent and creative, and I really appreciated that." Other students agreed, honoring Pastor Ford with a standing ovation at the end of the final session.

Between the Monday sessions of Founder's Conference, MBI–Spokane alumni enjoyed connecting with each other at a luncheon hosted by **Nancy (Andersen '80) Hastings**, executive director of the Alumni Association.

Jadon Lavik, a Dove Award-nominated 25 Live recording artist, led inspiring worship throughout the conference. Moody Radio Northwest helped promote the two-day event and also interviewed Lavik, who performed during the station's *Morning Drive* segment on February 20.

2012 Alumnus of the Year—Edward Elliott '62

Edward A. Elliott, a 1962 graduate, was named the 2012 Alumnus of the Year by the Moody Alumni Association. Elliott, who as a student sang with Moody Chorale and enjoyed summer missions, was honored for his pioneering work and lifelong passion in Christian bookselling.

After he graduated from Moody and earned a bachelor's degree from Elmhurst College, Elliott became a trailblazer for placing Christian books and Bibles into secular stores and U.S. military bases around the globe. In 1978, he and his wife, **Virginia Keller '64**, started Oasis International to supply affordable Christian literature to poorer African nations. Since then, Oasis has distributed more than six million books and Bibles. Elliott is most passionate about his current project: developing the first Africa Study Bible (with notes written by

(l to r): Nancy (Andersen '80) Hastings, Edward Elliott '62, and Dr. Paul Nyquist.

Africans for Africans) through Tyndale House Publishers.

Nancy (Andersen '80) Hastings was honored to present Elliott with the award because "his lifelong passion to bring the truth of God's Word around the globe is something near to the heart and mission of Moody."

2012 Faculty Citation Award—Karyn Hecht

Karen Hecht, recipient of the 2012 Faculty Citation Award

Karyn Hecht, professor of Communications, received the 2012 Faculty Citation Award after 25 years of ministry at Moody. Hecht, who holds a Master of Arts degree from Wheaton College Graduate School, has taught such classes as English Composition I and II and News Writing at Moody since 1987. She is involved with the prestigious Jerry Jenkins' Writer Awards, which recognize outstanding essays by undergraduate students, and works with new freshmen in the "First Year Transition" program. Moody Radio Reaches Spanish-Speaking and Urban Listeners

RADIOMOODY

Compartiendo Esperanza. Siempre Contigo.

One way Moody is implementing its vision to reach across cultures with the hope of Christ is through Radio Moody, Chicago's only Christian radio station that broadcasts in Spanish. Since Radio Moody launched this winter on WMBI-AM 1110 in Chicago and online at www.radiomoody.org, people from around the world have been tuning in.

The Hispanic community is the nation's largest and fastest-growing minority group. About two million Hispanics live in Chicago alone, making up 26 percent of the city's total population. "With no Spanish-language, Bible-based Christian

radio station serving them, we believe this station and its programming fills a significant need for this community," said Collin Lambert, vice president of Moody Radio.

Radio Moody provides solid biblical teaching, addresses relevant issues affecting Hispanics, and offers the hope of Jesus through inspirational music native to the Hispanic culture.

Moody Radio is also reaching out to urban communities around the nation through Urban Praise, a completely online station that features a soulful blend of contemporary Christian music at www.urbanpraiseradio.org.

If you know people who speak Spanish or enjoy uplifting urban Christian music, please encourage them to tune in to Radio Moody and Urban Praise. For more information about other Moody Radio programming, visit www.moodyradio.org.

TREASURED TRUTH

with Pastor James Ford

On *Treasured Truth*, a new Moody Radio program, Pastor James Ford presents wise, powerful counsel from God's Word. Drawing on his experience of nearly 30 years of urban-focused ministry as senior pastor of Christ Bible Church in Chicago, Pastor Ford addresses a gamut of issues—including the challenges of addiction, poverty, relationship failure, and more. To listen online, visit www.treasuredtruthradio.org.

"Pastor James Ford speaks to real contemporary issues with compassion and conviction."

Dr. Paul Nyquist, President of Moody Bible Institute

"Pastor Ford's impassioned love for Christ and His Word is the hallmark of his preaching, and his capacity to authentically relate it to life is unique to his ministry."

Past President of Moody Bible Institute*

Alumnus Chris Fabry Offers Encouragement on Air and in Print

“I was a guitar-playing, song-singing, and poetry/story-writing kid,” said Moody Radio host and alumnus **Chris Fabry '84**. While working at a local country and western station in his hometown of Culloden, West Virginia, during high school, he discovered a love for radio that has never waned. Today the grown-up small-town boy hosts *Chris Fabry Live!*, a popular national Moody Radio call-in program that encourages listeners through thoughtful discussion infused with Chris’s unique sense of humor.

“God uses radio in many people’s lives to call them back to Himself, and for others He helps them grow and mature in their faith,” said Chris, who hosted *Open Line* from 1985 to 1997 and co-hosted *Mornings with Greg and Chris* for six years prior to hosting *Chris Fabry Live!* beginning in May 2008. In 2009 the National Religious Broadcasters awarded Chris the 2009 NRB Media Award for Radio Air Personality.

Chris is grateful for the spiritual guidance he received as a student at Moody Bible Institute. “Every aspect of Moody helped shape me,” said

Chris, who joined the Advanced Studies Program in 1984. His professors encouraged him to consider how the Lord might use his media background in ministry. “They gave me a vision of what ministry could look like rather than the narrow vision I had cast.”

Besides his career as a broadcaster, Chris has authored more than 70 books, mostly for younger readers, such as the *Left Behind* series for kids on which he collaborated with Dr. Tim LaHaye and Moody’s board chairman, **Jerry B. Jenkins '67-'68**. He also recently co-authored the Moody Publishers novella *A Marriage Carol* with **Dr. Gary Chapman '58**. Patterned after the classic *A Christmas Carol*, the book tells the riveting story of a marriage on the brink of divorce. Along with **Andrea '84**, his wife of almost 30 years, Chris also shares insights on Moody Radio’s *Building Relationships* with Dr. Gary Chapman.

“The last 30-plus years have been a series of footsteps of faith, trying to draw near to God and follow Him, and realizing how far short I fall,” said Chris when reflecting on his life and ministry. “Without the grace of God, we’re all lost, so I’m grateful for that grace.” For more information about Chris Fabry’s ministry, please visit www.moodyradio.org/chrisfabrylive.

Alumni Association Scholarships

Each year the Alumni Board of Directors chooses three students from the Undergraduate School junior class and two students from Moody Theological Seminary to receive a \$1,000 scholarship. The scholarship recipients are determined on the basis of academic achievement, financial need, Christian character, extracurricular activities, and other criteria. The 2012 undergraduate recipients are Nicholas Cageao, Noelle Beck, and Kimberly Leister. The seminary recipients are Julie Wesley and Mike Janchenko.

God Protects Moody Missionaries Robbed at Gunpoint

On Sunday, March 19, Moody alumnus and missionary **Brad Sturm '05** preached a message to his congregation in San Miguel de Allende, Mexico, about staying grounded in your identity in Christ no matter what you have. He posed a hypothetical question: “If armed men come into my house and take all my stuff, my money, my family, my health, would I still preach the goodness of the gospel?”

The opportunity to apply what he taught came the following night when six armed, masked men broke into his home and ordered Brad and his wife **Lindsay '04** to lie down at gunpoint. The robbers began loading the Sturm’s van with electronics, jewelry, tools, appliances, and other valuables, including their phone. They even took the Sturm’s debit cards, demanded the pin numbers, and proceeded to empty the couple’s bank accounts. With his hands tied behind his back and his family in imminent danger, Brad no longer cared about his possessions. “It was as if the men were asking for used rags,” he wrote in a letter to supporters.

As he lay helpless on the floor, Brad’s mind was on their four young children. Anxious and faint with nausea, Brad finally found peace. “God’s sovereignty and goodness was my hope and strength,” he said. He knew his children belonged to God, and although God was not obligated to save them, the armed men could not harm them unless God permitted it.

After three hours, the gunmen allowed Brad and Lindsay to be reunited with

their unharmed children, and left, warning Brad not to leave or to contact the police. Under cover of darkness, Brad and his family escaped, using wire cutters to cut through barbed wire fences and finally borrowing a neighbor’s car to get to the home of church friends. Emotionally and physically exhausted, Brad reached out for a lifeline of encouragement from his church family. “I needed tears and prayers and calls and emails, and God supplied them,” he said.

The Lord has graciously provided the Sturms with a new home, computer, and funds to purchase the things they need to continue ministering in Mexico. Brad asked for people to “pray that this situation would bring people to Christ, strengthen the church, and ultimately glorify the Creator.”

Sergey started one of the Russian Ministries' key projects, School Without Walls (SWW).

SWW works with 2,000 students in nine countries of the former Soviet

Union and Central Asia. It reaches, trains, equips, and mobilizes the next generation of Christian leaders with nonformal training. The SWW is active in Russia, Ukraine, Belarus, Moldova, Kazakhstan, Uzbekistan, Kyrgyzstan, Tajikistan, and Azerbaijan. Another project they oversee is called Project Hope.
